INDURINE

A COLD WATER PAINT

Especially Designed
For INSIDE Work on
Factories and Public Buildings.

It is a dry powder which can be prepared for use by simply stirring in COLD WATER and can be applied by anyone and will always produce good work.

It is VERY WHITE, extremely reflective and hardens on a wall like stone and will take any tint.

It will last for years, and is unaffected by gases.

One coat covers better than two coats of oil paint or whitewash.

It can be used on any surface and for all classes of work, even for the finest decorating.

It will not rub, scale or crack, nor will it soften with age or discolor.

It will not set in the mixing vessel, in fact it improves by standing a few days.

It can be used to good advantage over old whitewash without scraping.

IT DRIES OUT WHITE AFTER BEING WET.

It is cheaper than whitewash, durability considered.

It is supplied in barrels from 300 to 400 lbs., also in boxes of 100, 50 and 25 pounds.

OUTSIDE INDURINE!

This is for OUTSIDE Work,

Such as Fences, Outbuildings and Laborers' Quarters. It is a thick paste to be diluted with cold water; stands rain and exposure as well as oil paint, and costs but a fraction as much. It is fire-resisting as it contains no oil, and has no equal as a light reflector in dark basements, damp cellars and similar places. It is supplied in colors.

The Washington naval authorities are seriously considering the advisability of putting the monitor Monterey out of commission. This vessel will leave Callao in a few days for Panama en route to Mare Island. The officials believe the vessel has seen sufficient service and has shown just how efficient she is, and they see no present need of retaining her in commission. It is probable the Monterey's crew will be utilized in the ships soon to be put in commission.

SEQUAH'S

WORLD

RENOWNED

REMEDIES.

To SEQUAH, Sir: I feel it my duty to inform you of the benefit I had derived from the use of your Remedies, Sequah's Cure and Oil. I have been troubled with Rheumatism ever since 1862 and since 1887. I have spent all I could earn in trying to cure myself but failed. I came to you in April unable to walk without the aid of sticks. The pains in my legs being fearful; I was treated by you in presence of several witnesses and received great relief. I continued the use of your remedies using only four bottles of Oil and two of the Cure, and now not only am I cured of the Rheumatism, but my limbs have become stronger, it is now nearly three months since receiving your treatment, and I feel all right. I was unable to work for 1 1/2 year (18 months) before coming to you, and I have now been at work for over five weeks past. I cannot find words to sufficiently thank you for the good your visit here has done me. I am yours gratefully,
L. BEICKE, Blacksmith.
